

CURTIN GROWTH

-
- Are you an expert in your field but struggle to manage or grow your business?
 - Would you like more rewards for the hard work you are putting in?
 - How about taking control of your work-life balance?
-

The Curtin Growth program will develop the skills you need to achieve long term personal and business success!

What is Curtin Growth?

The Growth program is a comprehensive program delivering to you and your business increased control, improved profitability and business management know-how.

The **16 full-day workshops** delivered in an informal, relaxed atmosphere over 12 months will cover all aspects of running a small to medium business including financial control, systems & processes, growth planning & strategy, personal development, sales & marketing, building teams and managing people.

The **30 hours one-on-one mentoring** will help you implement your new business management knowledge in your business under the expert guidance of a seasoned advisor.
